North Carolina Eugenics and Nazi Eugenics  
*based on War Against the Weak—Expanded Edition*

**April 26, 2012 at 7 PM**

*School of Nursing McNeil Auditorium, Room 1005*

**A BOMBSHELL.** In this bombshell of investigative journalism, Black reveals that eugenics was extensive, systematic, well-funded, and supported by major political and intellectual leaders; perhaps most startling, it directly inspired the rise of Nazism in Hitler's Germany ... This chilling and well-researched book is highly recommended. *Gregg Sapp Library Journal*
