## How IBM Co-Organized the Holocaust—What the New Documentation Shows

Based on the award-winning bestseller *IBM and the Holocaust*, which documents in exacting detail how IBM

consciously co-planned and co-organized all 6 phases of the Holocaust: identification, exclusion, confiscation, ghettoization, deportation, and extermination.

1 pm · September 19, 2013  
Gilchrist Hall Auditorium  
John Hopkins University  
Montgomery County Campus
